PARK RULES

To maximize enjoyment of our park we ask everyone to follow these simple rules.

Open for Business! The Park is open from sunrise to sunset 7 days a week. Overnight camping and/or auxiliary lighting are not allowed. The park will close in the event of inclement weather, flooding, flood cleanup, and to give the athletic fields a chance to dry out. Rentals may be rescheduled or fees refunded under weather conditions.

Park It. Vehicles may park in either the large or small designated parking areas at the park, or across Evers Road next to the library. Only government vehicles and scooters used to assist the disabled are allowed in the park or Natural Area.

Pick A Spot! The entire park can't be reserved – just the pavilions, pavilion barbecue pit, and athletic fields. Picnic areas and individual barbecue pits are on a first-come first-serve basis.

Leave Only Footprints! Please dispose of all trash, recyclables, BBQ ashes, etc. appropriately.

Respect Mother Nature. Climbing trees, removing vegetation and harassing wildlife are prohibited in both the park and the Natural Area.

Respect Your Neighbors. Park users should avoid interfering with other park activities, and spectators should not block jogging path or trails. Renters are responsible for their guest's behavior. Large groups may wish to hire security for their event by calling (210) 684-3215. Noise (music, etc.) must be kept to a respectable level. Picnic tables and benches are not to be moved from one area to another.

Animals. All pets must be on a leash and pet waste must be picked up. Pet waste disposal stations are located in various areas of the park. Pets are not allowed in the Natural Area or the playground, unless assisting disabled persons. Horse, ponies, exotic animals, and reptiles are prohibited.

Have a Blast! But don't bring guns, fireworks, explosives, or any other device capable of igniting (except barbecue supplies) to the park – they are prohibited.

Drink Responsibly. Beer, wine, and ale are allowed in the park - glass containers are not. Disorderly conduct will not be tolerated.

The Park is A Park. Please hit golf balls on a golf course, not in the Park. Horseshoes are to be thrown only in the horseshoe pits.

Skate! Skate boards and roller skating are allowed on the jogging path, but not in the pavilions, parking lots, or athletic fields.

Solicitors are not allowed in the park. Food vendors are only allowed at City sponsored venues, and must obtain a food license from City Hall.

Signs are allowed with Pavilion rentals, with a two (2) sign limit.

Moonwalks, with generators are allowed with Pavilion rental. Carnival, water, and pony rides; petting zoos; and carnival games are prohibited.

Canopies and portable tables of reasonable size are allowed, but must not be used on the athletic fields, parking lots, park trails, or in the Natural Area.
